We are asking each class to support a basket theme to be auctioned at the Spring Fling. Please see what your child's class is responsible for and send in items related to that basket theme with your child. The Parent Association will provide the teachers with collection bins in each classroom. Examples have been provided below. Your support is critical to the success of the event, and our ability to put funds directly back into the school to enhance the technology needs of our students. Questions? Contact us at hsa@stbarnabasschool.org.

Thank you as always for your support!
